Frequently Asked Intake Questions

Q: How does DSPD determine if my case is eligible for DSPD services?

A: DSPD makes the eligibility decision using the documentation you provide. Your case may go inactive or be determined ineligible for DSPD services if we do not receive all of information we need. If the documentation does not meet DSPD requirements, your case may be determined ineligible.

Q: How long do I have to turn in the documentation to DSPD?

A: You have 90 Days to return the intake packet and the supporting documentation from when your intake worker sends out the intake packet. After 90 days your case will be inactive. Your intake worker will send you a letter to let you know that 90 days has passed. If you are still interested in applying and need more time please contact your intake worker and they can help you if you are having trouble gathering documentation.

Q: What documentation is needed?

A: DSPD needs the following:

Social History/Intake Packet (Your intake worker will send you this)

Social Security Card and Birth Certificate

- DSPD can continue the intake process without these documents, but we won't be able to *make an eligibility decision* until we have received them. DSPD can help you get in touch with the agency that provides these documents.

Psychological Evaluation

- An evaluation completed within the last 5 years is required. A developmental assessment can be used for children under the age of 7.
- *School Testing may meet this requirement.* We will need a copy of the psychological evaluation and/or testing that was completed by the school psychologist. A diagnosis is also necessary to determine eligibility. IEPs, even ones with goals, are not acceptable for eligibility purposes.

Medical Records

- Only records/information related to the disability needs to be supplied. We do not require every record your doctor has on file.
- For medical conditions: A letter from a doctor can be sufficient if it is *signed and dated* by the physician and includes the individual's *name, diagnosis, current ICD diagnosis code (your doctor will know what this is), and functional limitations*

Release of Information (Included in the intake packet)

- Without the release of information filled out, we cannot contact anyone on behalf of your case to obtain the documentation we need.
- Please list the doctors on the form with their phone numbers and your intake worker can contact them directly to obtain the necessary documentation

ICAP Assessment (Our Division Assessment that is completed by your intake worker)

- When the above documentation is received and reviewed your intake worker will contact you to complete an assessment of the applicant's functional limitations.

Q: Does the person applying need to register to vote to be eligible for DSPD Services?

A: No. As a state agency, DSPD must give you the option of applying.

Q: What happens after all the documentation has been submitted?

A: Once all documentation is received and reviewed, your intake worker will contact

For any additional questions about DSPD services, please contact your intake worker or visit the DSPD website at: <http://www.hsdspd.utah.gov>

you. The intake worker will set up what is called an ICAP assessment, which determines where the most support is needed. This is part of the eligibility process.

Q: How will I know when a decision has been made?

A: Once all documentation is received and reviewed, an informational letter called a Notice of Agency Action (NOAA) will be sent to you. This letter will state whether the applicant is eligible (and placed on the waitlist) or ineligible for DSPD services.

Q: What happens if I am Ineligible?

A: You will be sent an informational letter (NOAA) that will let you know in writing that you are not eligible for services. Attached to all Notice of Agency Actions is a Hearing Request form. You can request to appeal the decision made by DSPD on this form, however it needs to be returned to DSPD within 30 days of the postmark. You can contact DSPD if you have questions regarding the appeal form.

Q: What happens if I am eligible?

A: You will be sent an informational letter (NOAA) that will let you know in writing that you are eligible for services. This letter will include a Hearing Request form which is included whenever a Notice of Agency Action is sent. You do not need to return the appeal form if you are found eligible for services.

Q: How long will I be on the waiting list?

A: Funding is provided to those with the most critical needs. DSPD does not work on a first come first serve basis. Placement on the waitlist is primarily based on need, and wait times vary according to need and available funds. For more specific information you can contact your intake worker or visit the DSPD website.

Q: How does DSPD follow up with people on the waiting list?

A: Every year DSPD will send a survey to you in the mail. This survey is used to determine your current need, as well as let DSPD know you are still interested in our services. These surveys are sent through the mail so it is important to keep your contact information up to date with your waitlist worker. *If we do not receive a response to this survey, you will be taken off the waitlist.* You can contact your intake worker at any time to update your situation, or check on your status. If you discover you are no longer on the waitlist because you did not respond to the survey, you can contact our intake line at 1-877-568-0084.

Q: What happens when I come off of the wait list?

A: Once we receive funding for your case, all documentation provided to DSPD will be reviewed again, and you will be contacted by a waitlist worker to update any necessary information. You will go through a process similar to the original intake process and may be required to submit additional documentation to re-determine eligibility. You will be transitioned to a state support coordinator who will assist you with available services.

Community Supports Waiver

What is the Community Supports Waiver?

- This is a program for individuals with intellectual disabilities or other related conditions.
- It is designed to provide services throughout the state which help people with intellectual disabilities, or conditions related to intellectual disabilities, to remain in their own homes or other community settings.
- Individuals are able to live as independently as possible with supportive services provided through this program.

Who is eligible for services through this program?

To be eligible, individuals must:

- Demonstrate functional impairment in 3 or more of the major areas of life activities,
- Have onset of their disability occur before age 18 for intellectual disabilities or before age 22 for other related conditions,
- Not have a primary condition attributable to a mental illness,
- Meet level of care criteria for admission to an intermediate care facility for persons with intellectual disabilities (ICF/ID),
- Meet the financial eligibility requirements for Medicaid, and
- Be able to live safely in the community once waiver supports and services are in place.

What else should I know about this program?

- A limited number of individuals are served.
- There is a waiting list for this program.
- Individuals can use only those services they are assessed as needing.

ICF/ID

What is an Intermediate Care Facility for Persons with Intellectual Disabilities or ICF/ID?

An ICF/ID:

- Is specifically geared to assist persons with intellectual disabilities;
- Provides 24-hour care and is required to maintain a home-like environment. Each individual is assessed and programs are then designed to assist each individual in their specific areas of need and to accommodate their interests;
- Provides a variety of services to assist each individual to reach their full potential. With supports offered, individuals are provided vast opportunities to excel. Such supports include assistance with the following: general life skills, behavioral support, recreation and social interaction through active involvement in the community;
- Has medical, psychological and nutritional (dietary) supports available; and
- Supports individuals who are of school age to remain in the education system and supports older individuals to explore and participate in vocational opportunities through supported employment and vocational workshops.

Who is eligible?

To be eligible, individuals must:

- Meet the level of care criteria as verified by dedicated nurses at the Utah Department of Health,
- Have a diagnosis of intellectual disability or other related condition and require at least weekly interventions by a health care professional, and
- Meet the financial eligibility requirements for Medicaid if funding for services is to be provided by Medicaid.

Anything else should I know?

- There is no waiting list.
- Skills are taught so that greater independence may be achieved. An individual can choose to remain in this environment for as long as they like.
- All age groups are served.
- Family involvement is strongly encouraged.

Información General

Utah tiene Seis programas de Renuncia a la Vejez de Medicaid 1915(c) HCBS

- Programa de Renuncia para los Individuos mayores de 65 años
- Programa de Renuncia para personas con Lesión de Cerebro adquirida
- Programa de Renuncia de Soporte de la comunidad para los Individuos con Disabilidades Intelectuales o Otras Condiciones Relacionadas
- Programa de Renuncia de Disabilidades Físicas
- Programa de Renuncia de nuevas opciones
- Programa de Renuncia para los Niños Tecnológicamente Dependientes (solamente manejado por el Buró de Manejo de Cuidado de UDOH)

¿Que es el programa de Renuncia a la Vejez de Medicaid?

- En 1981, El congreso aprobó la ley que permite a los estados más flexibilidad en proveer servicios a los individuos que viven en comunidades de la tercera edad.
- Esta legislación, Sección 1915(c) del Acta del seguro social, autorizó el "la renuncia" de ciertos requisitos estatutarios de Medicaid.
- La Renuncia de estos requisitos estatutarios obligatorios permitieron el desarrollo de programas conjuntos federales y estatales y consolidó los programas llamados Medicaid 1915(c) Servicios de Renuncias basadas en el Hogar o Comunidades de la Tercera Edad.

¿Como trabaja este programa de la sección 1915(c)?

- El Departamento de Salud de Utah, División de Medicaid y Financiamiento de Salud (DMHF - Medicaid) tiene un contrato con los Centros para Medicare y Servicios de Medicaid (CMS – la agencia federal que regula el medicaid) que permite al estado tener el programa de renuncia Medicaid 1915(c) de HCBS.
- El contrato se llama el Plan de Aplicación Estatal y hay un plan separado para cada programa de renuncia.
- El Plan de Implementación Estatal define exactamente cómo cada programa de renuncia se operará.
- Todos los Planes de Implementación estatal incluyen convicciones que promueven la salud y bienestar de los destinatarios del programa y aseguran responsabilidad financiera.

¿Cuales son las características de este programa?

- Los Estados pueden desarrollar programas que proporcionan servicios basados en el hogar o en una comunidad de la tercera edad a un grupo limitado de individuos (ejemplo: las personas con lesiones del cerebro o las personas con discapacidades físicas)
- Los individuos sólo pueden participar en el programa si ellos requieren el nivel de cuidado proporcionado en un asilo de ancianos hospitalario (NF) o una facilidad de cuidado de intermedio para las personas con retraso mental (ICF/MR).
- Se exigen a Estados que mantengan neutralidad del costo, lo que significa el costo de proporcionar servicios a las personas en casa o en la comunidad tiene que ser el mismo o menos de si ellos vivieran en un asilo de ancianos.
- Los servicios proporcionados no pueden reproducir servicios proporcionados por Medicaid bajo el Plan de Medicaid Estatal
- Los Estados deben proveer aseguramiento al Centro de Medicare & Servicios de Medicaid (CMS) que sea necesario para proteger la salud y bienestar de los destinatarios de un programa de renuncia a la vejez

The Family to Family Network is a statewide parent support network that is designed to educate, strengthen, and support families of persons with disabilities, especially those who are on the wait list or in DSPD services. Network leaders are parents of individuals with special needs and link families to local resources, services, and disability-friendly events.

Get Connected!

"This is the first time that we have ever gotten to fully enjoy any event like this. We usually end up dealing with major sensory overload. Today's event was perfect, no overload, and enjoyed by all."
- Amy W, Utah County

Get Involved!

Connect with other families in person, on social media, through listservs, and in local activities. We're also always looking for new leaders and volunteers! Please contact us if you would like to be involved in the Network.
